

Why Should **Latinos** *Participate in Cancer Studies?*

- a. As part of a cancer study, we receive the newest treatment.
- b. What researchers learn from us will help all Latinos.
- c. We'll be helping find new ways to fight cancer.
- d. ALL OF THE ABOVE**

Without research, there is no cure!

Find out how you or someone you know can be part of a cancer study. Call the Cancer Information Service now and ask about *Redes En Acción*.
